## Le Gala national des Grands Prix santé et sécurité du travail!

On May 1, 2018, the CNESST will reward creativity and ingenuity in the prevention implement by employers, workers and the education community. The Gala national des Grands Prix santé et sécurité du travail is the final stage of a provincial competition aimed, firstly, to recognize the most outstanding Quebec initiatives for the prevention of accidents and occupational diseases and, secondly, to promote these initiatives.

In the innovation category, projects are submitted in one or other of three classes: Small and Medium Business, Large Business and Public organizations.
